Georgetown Workforce Housing Summit

**Saturday, March 30, 2019
10 a.m. to Noon**

**Georgetown Health Foundation
Community Rooms
2423 Williams Drive, Suite 101**

Sponsored by the Georgetown Housing Initiative
in collaboration with Courageous Conversations, Habitat for Humanity of Williamson
County, Southeast Georgetown Community Council*

Join us as we bring our community together to address the critical need for affordable housing for essential workers- school teachers, public safety personnel, health care and retail workers, etc. This Summit will focus on the question –

“How can Georgetown effectively address the critical need for workforce housing?”

Summit Format:

- Presentations on current affordability issues and needs, the challenges in developing workforce housing, and effective strategies to develop housing below the current median home prices. Walt Doering (former chair of the Housing Advisory Board), City Councilperson Steve Fought, Debbie Hoffman (Executive Director of Habitat for Humanity of Williamson County), et al
- Attendees will have the opportunity to discuss together how our community can best address the need for more workforce housing in our community.
- Information about the formation the **Georgetown Housing Initiative** will be shared.
